

HALTON SERVICE COORDINATION

one family. one story. **one plan.**

Service Coordination *Your Circle of Support*

Service Coordinators Will Assist You And All Of The Services Working With You And Your Family To:

- Build on your strengths
- Understand your needs
- Reach your goals

Service Coordination Will Benefit Families:

- Involved with multiple services
- Who need help finding other services
- Who are overwhelmed with their situation

Service Coordinators Are:

- Already working with you in another role who can also provide your family with service coordination

Service Coordination Will:

- Respect you and the needs of your family
- Help you and your family develop a plan that will meet your needs
- Help connect you and your family to community services and supports
- Organize meetings with you, your family and anyone else involved in your plan
