<b>VISIBLE MINORITY***</b>	Belongs to a visible minority group	986	53%	
<b>INDIGENOUS</b>	Identifies as First Nations, Métis, Inuit or other	176	10%	

\* Participants could self-identify and enter their own gender identity. The most common response was non-binary. Other responses included: gender fluid (13), questioning/not sure (10), demigirl (3), agender (12), genderqueer (2).

\*\* Living in Canada for five years or less.

\*\*\* The definition of visible minorities is employed here to make the data comparable to Statistics Canada census data. The Employment Equity Act defines visible minorities as “persons other than Aboriginal peoples, who are non-Caucasian in race and non white in colour”.
